Bank Staff Nurses

Job Summary

St Teresa's Hospice, Darlington is seeking Registered Nurses to join our Bank, working across our Inpatient Unit and Community Hospice teams.

If you are passionate about palliative care and want to be part of an effective team that makes a real difference within the community, then this could be the perfect opportunity for you.

Usual shift pattern for Inpatient Unit: 12.5hr full day and night shifts on a rota.

Usual shift pattern for Rapid Response: 7.75 hr shifts on a rota (8.25 hr shifts with a 30 min unpaid break) 07:00-15:15, 15:00-23:15, and 23:00-07:15.

Bank hours, St Teresa's Hospice Band 5, £16.57 per hour, plus enhanced rates for unsociable hours.

Employer: St Teresas Hospice (independent registered charity)

Important application info:

Successful applicants are required to provide an enhanced disclosure with a check of the adult barred list. Disclosure expense will be met by St Teresa's Hospice.

For bank workers: This is a casual/bank appointment with no guaranteed hours of work, and no obligation on the worker to accept work when offered.

This job advert will close as soon as sufficient applications have been received. Please apply for this job as soon as you can, if interested.

Please be aware that we do not have a sponsor licence, and are therefore only able to appoint candidates who are eligible to work in the UK.

Main duties of the job

We are a forward thinking, inclusive registered Charity with Inpatient, Outpatient and Community services, providing care and support to palliative patients and their families in their own homes and at St Teresa's Hospice.

In this post, you will work as a member of the nursing and multi-disciplinary team delivering care and giving support to patients with palliative care needs and their families, within patients' own homes and in the Hospice. Working in close collaboration with the District Nurses, GPs, Macmillan nurses, the Foundation Trust and other hospice services ensuring patient choice at the end of life.

Essential qualifications and skills include:

- Current NMC registration as a registered adult/general nurse
- Post registration experience working at NHS Agenda for Change Band 5 (or equivalent) or above in a nursing role
- An understanding of the Hospice setting and ethos, and a strong interest in palliative care
- Good clinical skills, and excellent communication and interpersonal skills
- A basic level of IT literacy, with the ability to learn new computer skills
- Willingness to work across all Hospice services, as required

Please see the job description and person specification for further details. An induction and ongoing training will be provided.

About us

Join an organisation where we all work together for a shared charitable goal, based in beautiful grounds, with a community feel and an inclusive culture.

Benefits of working for St T's include:

- Training and development opportunities
- Opportunities to attend and participate in fun and exciting fundraising and awareness events
- Employee Assistance Programme (also accessible for bank staff) including free counselling/CBT
- Discounted complementary therapies including acupuncture & massage
- Onsite Bistro
- Free eye tests for computer users
- Hospice-based staff are eligible for free annual flu jabs

Please contact HR for further details.

St Teresa's Hospice complies with GDPR during the recruitment and selection process. For information on how we process your data, please see the NHS Jobs Privacy Notice and St Teresa's Hospice Recruitment Privacy Notice.

St Teresa's Hospice is a Disability Confident Employer. We are committed to employing and retaining disabled people, and we encourage applications from all sectors of the community.
